## THE SENTINEL.

**Catarrh! Catarrh! Catarrh!**  
WATER CURE, &c., &c.

Thousands of Most People know what its inconvenience and wants are, yet few know how it can be cured. It is simply a chronic disease, arising from enlarged glands, and the accumulation of mucus in the mucous membranes, lining the nasal cavities, frontal sinuses, and posterior nares, and sometimes extending into the throat and lungs. From this result tightness and often very severe pain in the head, a sharp nose, or a raw, hot, dry, or moist, hoarseness, and often impaired hearing and smell, nasal voice, and often impaired hearing and taste.

The old-school remedies have never been able to do anything for it. Newer ones are they are generally worthless, as they are generally worthless.

Yet HUMPHREY'S CATARRH CURE, a simple, pale Sopor Pill, taken two or three times a day, promptly cures the milder cases, and cures the cold, colic, and grippe, by persevering coldly to the most obstinate cases, as is proved by the experience of hundreds.
